STUDENT SATISFACTION SURVEY

Student's feedback on faculty is obtained once in a semester and remedial action is taken. Further, students give feedback on the overall institutional issues through various forums like Grievance Re-dressal Committee, Disciplinary Committee, Internal Complaint Committee, Anti-Ragging Committee, and Women's Grievance Re-dressal & Sexual Harassment Cell etc. authorized administrative members meet the students and get feedback directly.

However, our college conducts students' feedback on teaching learning practices in the college along with performance of teachers. The feedback form has questions of teachers' domain knowledge, their punctuality, teaching skills, communication skills, analytical skills, availability and accessibility to students, whether they completes their syllabus on time, use of teaching aids etc. At time of leaving students give Exit Survey in which the students provide 360 degree feedback.
