

Training & Placement

T&P Cell plays an important role in helping and counseling students about their career from beginning. The learning and development program has been formulated after thorough analysis of unique requirement of various companies that it not only balances conceptual and practical skills but also focuses on developing the essential for today's world. BBIT is confident that students will make a mark wherever they go and make their alma matter proud. Placement involves in different activities as mentioned below:

Seminar & Workshops

Seminars and Workshop are conducted at BBIT on a regular basis and professionals from various industries are invited to interact with students of respective departments on different topics and guide them in accordance with industry requirements.

Training Program

Company specific mandatory training programs are conducted on a regular basis for obtaining excellent output from the students under the guidance of the best experts from reputed organisations. The experts are short-listed from various professional bodies who could mould personality of the students and make them ready as per the needs of the industry.

Campus Recruitment

Campus recruitment is also a vital part of BBIT. Placement always keeps in constant touch with all major companies who conduct campus drives. Every year BBIT maintains an excellent placement record providing a good number of opportunities to it's students.

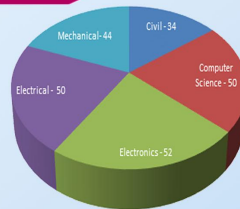

Our Training Partners
